Communications - Gary Berg

- Our web site has had 478 hits in Jan. There is a spike on newsletter day.
- Who's at Your Door is a program representing a number of large charities that solicit from door to door. They would like to use our website to announce when they are canvassing. This allows people to check to see if canvassers are legitimate.
- The newsletter will advertise **GARAGE SALE DAY as Sat. May 5** this year.
- a request was made to advertise the possibility of a before and after school program for Montgomery School parents.

Montgomery School - Laurie Bent

- a school/community council is being set up. The home and school has been discussing some of the requirements for this group.
- the board of education is looking for stories about the storm that caused schools to be closed early on Wed. of last week.
- Basketball and indoor track are underway. The students have had some successes in the last month. The under 13 girls team was 3rd at the K. of C. Games and the under 11 team won a 1st.

- In the Science Trek the Gr. 7 and 8 team won 1st in a large contest. They were awarded 100% for their project and won a trip for their class to the Regina Science Fair.
- Home Economic and Industrial Arts have started
- The music teacher has started a jazz band that practices on Friday morning.
- There will be a formal dance this Friday. St. Dominic students are invited.
- Feb. 20 - 23 is staff appreciation week.
- There will be a Family Bingo on Feb. 20.

Neighborhood Watch - Barb Biddle

- There is a citizen patrol seminar that a few people from the area will be attending on March 10. There are some interesting seminars and it provides a good opportunity for representatives from a variety of communities to network.
- Graffiti on a mailbox that reported last month. A reply was received quickly and the graffiti was cleaned up in the cold weather.
- There is still a problem with graffiti on the rink and the shack was apparently tagged again since the last meeting.

Sports - email from Earl Johnson

- Erin Culbertson will be the soccer coordinator for the upcoming outdoor season. She will rent a sign for the corner announcing registration on Feb. 27 from 6:30 to 8:00 PM at the St. Dominic Art Room. She will send the bill to Kevin and contact him for the receipt book.
- Softball registration will be on Feb. 20th at St. John Bosco School and on Feb. 22 at St. Marguerite school. The softball zone will take care of renting a sign to advertise this.
- There is a need to check the condition of the indoor soccer equipment that has been stored at Montgomery School. As well we need to inspect the indoor soccer nets that were purchased for both schools.
- The person who made the nets and can repair them as needed is Terry Zeban.

Rink - Jim Earle

Snow removal is a bit of a problem. We'll see what we can do next week.

The meeting was adjourned.
