Report

1) I sent those of you who I have e-mail addresses for, a note regarding your take on the bins down at the corner of 11th & Dundonald. Personally, I have no trouble getting rid of those bins, and the related mess of bags, paper, cardboard, milk bottle lids, etc. To drive over to Witney & 22nd for the few times I may go over there is no problem for me. A mile or so out of my way is not a big deal. Should we put it to the residents and find out how they feel about this?? (Saskatoon Curbside Recycling).

2) The street signs should be ready sometime soon. I searched out some pictures of Rockingham at the library, and took them up to Abe's Signs. Now, they have all of the information they need, so maybe we can finally finish this project.

3) I am considering sending letters to a few groups about the signs so that they might be included on walking tours.
