The city will have a great Girls in Motion event on Nov. 14. Starting today, winter hours go into effect at the landfill and the compost depot. Submission to the Leisure Guide of winter programs for January to March are due on Friday. There are grants (up to \$5000) available for activities that involve residents in sport, culture and recreation. Deadline is January 15. Public skating has started at city rinks. The civic election is on Oct. 28. The Ward 2 candidates' meeting is at St. Mary's Parish Hall at 7:00 on Oct. 20.

Concerns from the floor – Are the wood chips around the new play structure flammable, will they float away in spring runoff and was the old structure simply hauled to the dump?

The compost depot should be advertised in the newsletter because people don't know what it is.
