Soccer Coordinator Needed

There will NOT be an outdoor soccer season this year if a volunteer does not come forward to coordinate. If you have a child under 10 years old who wants to play soccer this spring, please consider volunteering some time as soccer coordinator. Registration week is Feb.26 to Mar.2 so we need someone to step forward a.s.a.p. If we do not have a coordinator, your child may be able to register and play with Parkridge, if they are willing and able to accommodate. Contact Earl Johnson at 978-7197 for more information.

Montgomery Place had an amazing history that needs to be told!

A community play about the people who have made up this community over the years. I need your Help!

Over the course of the next six months I will be developing a theatre project that is intended to tell the story of Montgomery Place and the People in it. As residence of this area I need your help in the collection of information and in the writing and performance of this play about your neighborhood.

You can get involved in this project in many ways:
Help in the writing of a play about the area by attending workshops on the play. Help by emailing me your stories about Montgomery Place and the people who have made it home over the years
Send me copies photos of Montgomery Place and its residence. Send me any ideas about the project

This report provides information on property crime for the previous month for your community. These statistics are collected through a city mapping system. Please be aware that the boundaries for your Community and the boundaries for the mapping system may not be identical and therefore some addresses in the Community Association Report may have been unintentionally included or excluded.

To understand your Community Association Report, it may be helpful to know that the statistics only reflect incidents reported to the Saskatoon Police Service, and not necessarily the total number of incidents, as many go unreported. To protect the identity of the victims, incidents are reported by the block in which they occurred and not by the specific address. A break and enter to a residence, includes a break and enter to an attached garage. A break and enter to other, includes a break and enter to an unattached garage or shed. Theft under, includes the offense of shoplifting from a business. Mischief includes the offenses of property damage and graffiti.
