MONTGOMERY SCHOOL COMMUNITY COUNCIL

Montgomery School is establishing their legislated School Community Council. The purpose of the SCC is to support student learning, success and well being, and to encourage parent and community involvement in the school. Elected membership must be a minimum of 5 to a maximum of 9 Parent/Guardian and Community Members. Appointed members will include the Principal and one teacher.

As a council member, you might expect to:

- Attend five meetings during the school year
- Participate in approving the constitution (a template of which has been written by the SPSD School Community Councils Leader, Donnalee Weinmaster)
- Engage in the work of the council which could include reviewing the school strategic plan, providing feedback to the school on policies, programs and educational initiatives and taking action on Council initiatives to support your children's learning.

Montgomery School will be having their School Community Council election on September 25 at 6:30 pm in the Montgomery School Library. Nomination forms for elected positions will be available at the school office any time after August 28. Please consider joining the Montgomery School Community Council. For more information, contact Don Bates 683-7370 or Donna Dent 683-0631

Annual AGM meeting set for Oct 09/07 at 7:00 o'clock PM at St. Dominics School. Come out and check the Community Association. Maybe volunteer to help out the Community.

Remember the Community is on the internet at <http://www.montgomeryplace.ca>.

It's school time again! You're probably feeling excited and maybe a little sad that summer is over. Some kids feel nervous or a little scared on the first day of school because of all the new things: new teachers, new friends, and maybe even a new school. Luckily, these "new" worries only stick around for a little while.

Here are a few final tips for a fantastic first day:

- Get enough Sleep.
- Eat a healthy Breakfast.
- Try your best.
- Develop good work habits, like writing down your assignments and turning in your homework on time.
- Take your time with school work. If you don't understand something, ask the teacher.

Reminder School Zones: Remember the speed limit starting Sept is 30 km by Montgomery school and St. Dominics school.

Community Spirit

I would like to send a thank you to the Boscher family for taking in our dog, Teagra, during the night of Saturday, August 17th. Our family was out of town for a few days and had neighbours checking in on her daily. There was quite a storm in the city that night and we figure Teagra was frightened and dug her way out from under our fence. She made her way to the Boscher residence and they kindly took her in for the night. They had gone to great lengths to try to contact us to let us know our dog was safe with them. As we have never met this family, we are very appreciative to know that there are caring people out there looking out for each other and their animals. To me, this proves as a fine example of community caring.
