HELP US TO HONOR VETERANS WHO SETTLED MONTGOMERY PLACE

The community association is planning to erect a memorial near the Cairn in Montgomery Park, which would list all the names of the war veterans who settled Montgomery Place. We were requested to consider this undertaking and decided that it would be a fitting way to pay tribute to these individuals who were responsible for making our community such a great place.

Accordingly, we have researched the names of the veterans who were allowed to build or purchase a home under the Veterans Land Act from 1946 to 1977.

We hope we have a comprehensive list of all the veterans but may have missed some. Please let us know of any veterans to ensure we don't omit them. Call Barb at 382-6774

Remember the Community is on the internet at

Remember Our Roads are our Sidewalks.

Please slow down to keep cyclists, other drivers and walkers safe on our roads

It was one of those **March days** when the sun shines hot and the wind blows cold: when it is summer in the light, and winter in the shade. ~Charles Dickens

This report provides information on property crime for the previous month for your community. These statistics are collected through a city mapping system. Please be aware that the boundaries for your Community and the boundaries for the mapping system may not be identical and therefore some addresses in the Community Association Report may have been unintentionally included or excluded.

To understand your Community Association Report, it may be helpful to know that the statistics only reflect incidents reported to the Saskatoon Police Service, and not necessarily the total number of incidents, as many go unreported. To protect the identity of the victims, incidents are reported by the block in which they occurred and not by the specific address. A break and enter to a residence, includes a break and enter to an attached garage. A break and enter to other, includes a break and enter to an unattached garage or shed. Theft under, includes the offense of shoplifting from a business. Mischief includes the offenses of property damage and graffiti.
