VEHICLE SAFETY

- Remove ALL valuables! This includes removing the power cords to all devices, they must be out of sight. Then place an “All Valuable Removed” placard in the window.
- Do NOT leave an extra key in the console.
- Park in a well lit location.
- Keep doors locked while in your vehicle. If someone approaches while you are inside, drive away.
- Visually inspect the vehicle before you get in.
- Stereo’s are a prime target. Do NOT advertise with stickers and purchase one with a removable faceplate.
- When possible, keep your locked vehicle inside your locked garage.
