Dear Ms. Barb Biddle,

Congratulations on the recent designation of Montgomery Place as a national historic site.

Your ongoing advocacy for your community and commitment to the unique history of Montgomery Place is admirable, and I commend you on your many successes. Because of these efforts, and the hard work of others like you in your community, Montgomery Place is not only an incredible - and remarkably intact - example of a *Veteran Land Act* community, but also of community spirit in general and serves as a reminder of the importance of sharing and preserving each of our communities' histories.

Remembrance is an act, and your community is an excellent example to the rest of us that our veterans deserve year round recognition and respect from each of us. Thank you for your dedication to your community, to the unique history of the area and for playing an important role in promoting the distinct character that makes Montgomery such a special place.

Again, congratulations on your community being awarded this well-deserved honour.

Sincerely,

A handwritten signature in black ink that reads "Sheri Benson". The signature is fluid and cursive.
