

WHAT: Water and Sewer Service Connection Work

WHEN: September 11, 2026

WHERE: 3300 block of Ortona Street from Haida Avenue to Crerar Drive

A new water and/or sewer service connection or modification to an existing water and/or sewer service connection at **3315 Ortona Street** is scheduled to begin on **September 11, 2026**, by **Brunner's Construction Limited** for approximately **1 day**. This work is necessary to ensure that our Water and Sewer systems continue to operate without any failures.

During this project

- Once work begins the contractor will dig through the road to uncover the pipes and to complete the work over several hours, weather permitting and barring unforeseen events.
- Following the completion of this work the road restrictions will be removed, and the work area will be covered with gravel until paving occurs. If paving cannot occur before colder temperatures arrive, gravel cover will remain until paving can be completed in the spring.

How you can help

- Stay clear of the work zone for your safety and the safety of workers.

Common questions

Will water and sewer services be affected?

No, water and sewer services **are not** anticipated to be affected during this work.

Will black, blue, or green cart collections be affected as a result of this work?

Residents directly adjacent to the work are required to leave their carts as close to their normal pick-up location [without placing it in the adjacent work area] prior to 7:00 a.m. on the day of collection. The contractors will coordinate the pick-up of your cart; however, they will not enter private property to relocate your cart.

If a **black or green cart** is not emptied on the scheduled collection date, please contact the Customer Care Centre at 306-975-2476.

If a **blue cart** is not emptied on the scheduled collection day, please report the missed collection to Loraas by calling 306-242-2300.

If a **private commercial bin** within the work zone cannot be re-located for collection, please contact your service provider to arrange an alternate collection date. If a collection cannot be rescheduled and is not emptied on the scheduled collection day, please contact the Customer Care Centre at 306-975-2476.

Will there be traffic and street/driveway access restrictions?

Signs indicating traffic, street, or driveway access restrictions will be posted after 6:00 a.m. on the day work begins. Areas of the roadway adjacent to the construction will be closed to traffic, and traffic will be detoured as required.

Will parking be affected?

There will be no access to parking/parking lots adjacent to the construction area. You are responsible for finding your own parking. If you require access due to mobility restrictions, please contact us in advance of construction beginning.

Will bus routes change?

Saskatoon Transit routes may be affected. In some cases, alternate bus stops will be established. Use the mobile app called "Transit" for real-time bus information.

The topsoil/sod the contractor placed after construction did not survive. Will the contractor return to replace the topsoil/sod?

No. Any topsoil/sod that is placed by the contractor will be the homeowner's responsibility to maintain. The contractor will not return to address deficiencies.

Please inform residents with disabilities and older adults using their preferred method of communication so they are fully aware of any changes.

Will mail services be affected?

Canada Post has advised that some mail services may be affected due to construction activity in the area. For more information and to determine if your mail services are affected property owners are required to contact Canada Post directly at 1-866-607-6301
